

Ambitions Academies Trust Strategic Plan 2019-21

AMBITIONS
Academies Trust

Vision & Values

Outstanding Achievement for All
Underpinned by Inclusivity, Integrity, Openness & Honesty

Mission

To ensure each pupil reaches their potential by securing **outstanding** achievement, high standards of social skills and improved life chances

To raise standards of teaching and learning by ensuring strong, effective governance and **outstanding** leadership at all levels

To achieve **outstanding** outcomes throughout the Trust through the efficient use of public funding and assets

Strategic Objectives Priorities

To provide a broad, balanced and enriching curriculum that meets every pupil's needs enabling and empowering all to develop and make ambitious progress and become well prepared for adulthood

Quality staff recruitment, ongoing training and deployment to develop our people

Efficient and effective management of finance, IT, resources and estates

Strategic development of Ambers Group and analysis of all commercial opportunities

To ensure there is a culture of inclusivity where physical and emotional wellbeing is championed

Key Principles

To provide and maintain strong, effective governance at all levels of the Trust

To ensure financial sustainability throughout the Trust

To ensure future growth does not adversely impact outcomes within the Trust

To provide leadership and training through Ambitions Teaching School to continue to support schools outside the Trust
